Girls entering grades 1 - 6 will have a fun filled week full of activities. Skills are taught on a progression so even the youngest get to participate in all skills stations. Older girls are challenged at the skills stations to bring their knowledge even farther.

Girls entering grades 7-8 are program aides in training (PATs) and will learn how to lead and run camp while doing camp activities. 7th graders can also choose to be regular campers.

Our amazing and unique camp is run by teen Girl Scouts who plan and practice for months and execute the program. Many of our younger girls look up to our teen leaders and see the possibility of being camp leaders themselves someday.
