

GIRL SCOUTS OF WESTERN WASHINGTON
CAMP RULES

Remember: The adult leader of each group is responsible for the compliance of these rules by her/his group.

1. The person in charge of each group/building must check in with the Encamporee Director or designated check-in person upon arrival at camp and should be in the first car to arrive. Please arrive at camp by 9:00 pm or call your Encamporee Director.
2. The Encamporee Director or person in charge of check-in will give the leader in charge an orientation covering safety and emergency procedures, and establish a check out time.
3. The site manager/host must be notified immediately of any serious accident or emergency situation. The group will follow his/her direction. Medical emergency transportation must be provided by Emergency Medical Services (911).
4. The Encamporee Director or Check-in person will tell you what the emergency signal is for the camp. Follow the emergency procedures posted in your unit to your designated evacuation point.
5. Campers must have adult supervision at all times. Follow guidelines as stated in *Activity Checkpoints*. The "buddy" system should be used in camp.
6. No pets are allowed in camp, except for service animals.
7. All vehicles are to be parked – **backed in** - in the **parking lot** or where directed by the site/manager host.
8. Alcoholic beverages and illegal drugs are prohibited.
9. Smoking is allowed only at areas designated by the site manager/host. Persons accompanying and/or at any time responsible for minors must not smoke or use any form of tobacco in the presence of minors.
10. Swimming and boating will be allowed in designated areas with certified personnel present. Life jackets must be worn when boating. No one is allowed on any dock without proper supervision i.e. certified camp staff.
11. Fires are allowed only in designated areas with fire safety equipment close at hand. A fire will never be left unattended. Fires must be thoroughly extinguished. Ashes and partially burned wood must be left in the fireplace or fire circle. Candles are not allowed in sleeping shelters and are restricted in buildings with the exception of special events like birthday candles. Box ovens should not be placed on wood or flammable surfaces.
12. Dishes and cups made of Styrofoam should not be used on Girl Scouts of Western Washington (GSWW) owned property.
13. Liquid gas stoves, lanterns, and gasoline or liquid fire starters are prohibited, except with prior approval by site manager/host as part of GSWW approved training or program progression.
14. A certified First Aid/CPR person or equivalent must be present at all times. Each group must have information on its participants: names, addresses, emergency contacts, and health information.
15. Shoes appropriate to the activity must be worn.
16. Use caution when running in camp.
17. Noise must be kept at a minimum after 10:00 p.m.
18. Coed groups must have separate sleeping areas and bathrooms for males and females.
19. Garbage and recycling will be disposed of as directed by the site manager/host.
20. Fireworks, firearms, and weapons are prohibited.

21. The group will have the site in proper condition for checking out by time agreed upon with site manager/ host. Checkout is by 2:00 pm.
22. Speed limits and vehicle-restricted areas must be followed. Transportation of persons in non-passenger vehicles, such as in the back of pickup trucks, is prohibited.
23. GSWW is not responsible for the loss or theft of personal property. Check with the site manager/host/activity leader regarding the use of personal sports equipment (archery, etc.).
