How to earn this leadership award Volunteer at least 20 hours with Girl Scouts—outside of your normal troop activities—and receive the Service to Girl Scouting Bar! Your service doesn't need to be pre-approved, just work with an adult Girl Scout volunteer to make a plan for your service. Once you've completed your hours, you will receive your award pin from the Mercer Island Service Unit at our next event or celebration. Activities organized by the MI Girl Scouts Community Service team are eligible for hours, in addition to whatever volunteering for Girl Scouts, like assisting troops with investitures or bridging ceremonies, leading songs or activities, etc you may arrange independently. NOTE - hours can be applied to ONE award only. For example, Take Action projects, badge work, or Silver and Gold award projects cannot be applied toward these leadership awards.

Please return this form (a scan is fine) to kara.lucas.va@gmail.com upon completing 20 hours of service to Girl Scouts.
